

# Privacy Policy

By playing William.Co Games you agree to our privacy policy by default.

William.Co does access basic information from your account such as but not limited to your account id, display name, friends list and online status; however William.Co does not collect or retain any of your data. William.Co will never collect or retain any of your data without notice. William.Co games may access data but William.Co will not and can not view it. The William.Co store does get some of your information that you enter. The William.Co store does not save data after an order is fulfilled. William.Co is not liable for any data breaches from our brand partners.
